Rev. 10/10/19

Welcome students, parents and adult learners,

Burlington Technical Center, often called BTC, has helped high school students and adult learners explore their interests and take steps toward incredible careers since 1968.

BTC is a Career and Technical Education Center that offers robust half day programs for high school students and evening programs for adult learners. These programs help you build skills, attain professional certifications, connect with industry professionals, and many lead to dual-enrollment college credit... in some cases as many as 20 credits can be earned while in high school.

We're ready for another exciting year at BTC in 2019-2020! We continue to assess and adapt to changing needs in our community. We continue to upgrade with equipment, supplies, and facility renovations. Over recent years we have launched new programs: Computer Science: Programming, Web Development and Cybersecurity; Pre-Tech: Design Tech for students in grades nine and ten; and an expanded Health Sciences Academy program. Additionally, we have revamped our Digital Media Lab program to incorporate audio production. We added more work-based learning opportunities to all programs. Our Pre-Tech: Design Tech program is housed in our award winning makerspace, and is an introduction to prototyping and design, videography / cinematography, design and illustration, and programming and computer science.

We have an excellent teaching staff here at BTC who will challenge and mentor you to new heights. Our teachers are all skilled instructors and industry professionals who are connected to their community. We also have an incredible staff in place to support you in each program, personalize your needs as a learner, and help you explore and develop your goals.

Please take a look through our website and explore our course offerings. Imagine what it would be like to dive into an immersive program in high school under the guidance of industry professionals. Imagine what connections and goals we can help you achieve. Then come for a visit and see for yourself first hand.

I look forward to meeting you and welcoming you to Burlington Technical Center.

Director, Burlington Technical Center

Student Life and Expectations

Absences / Attendance and Grading

Parents/Guardians or sending school should report all excused absences before the start of class.

Reporting absences: 864-8426 ext 12002

BTC Attendance Policies & Procedures

Regular attendance in class is core to instructional success, school climate, and a safe environment. As a shared responsibility, the administration commits to consistent support of teachers in an effort to uphold these policies.

Student Tardy Concerns/Restorative Response and Support

1. After one unexcused tardy, teacher will investigate cause and if appropriate, issue student a verbal warning.
2. After the second unexcused tardy teacher will have one-on-one conversation with the student about being on time. Request that the student make up the time or work that they missed.
3. After tardy number three, teacher makes parent contact via email or phone. Document outreach.
4. At fourth tardy, refer student to school counselor.

Student Absenteeism Concerns/Restorative Response and Support

1. After one unexcused absence, teacher have one on one conversation with the student about why the student missed (Robo-call from the Registrar).
2. After two unexcused absences, teacher speak directly with the parent. If the parent does not speak English, use the liaisons to broker the conversation. Contact Daniel Capps to arrange liaison support. Let counselor know via email.
3. After three unexcused absences, Steps 1-2 must be documented before action from Step 3) refer student to BTC Guidance and a letter will be issued to parent / guardian by the Registrar after that conversation.
4. After four unexcused absences, a student and family / guardian meeting will be requested. Issue warning in regard to possible credit reduction, withdrawn, or fail.
5. After five unexcused absences, teacher makes email request for student credit reduction with Office Support Team. This request will be reviewed and decided on by the Office Support Team and the Program Teacher. After 8 unexcused absences the student may be withdrawn from the program pending Office Team and Program Teacher review.

Note: 1st year 9th graders and special education students will only be withdrawn under extraordinary circumstances).

Excused Absences

Medically excused absences must be verified by a parent / guardian or medical authority (school nurse, counselor, health care professional, physician).

Students will have the ability in excused absences to make up the work issued in class. Students that have proper medical documentation will be afforded every accommodation possible to either achieve program participation or completion.

Without medical documentation or school approved absences (sports, school sanctioned activities) students may experience credit reduction and or program fail.

Excessive (10 or more) Excused Absences (unrelated to school sanctioned activities, see below): Such absences will be reviewed on a case-by-case basis with the parent/guardian, program instructor and administration.

Sports / Activity Participation: Many students participate in a number of extra curricular sports and activities (plays, etc) throughout the year. Each student who leaves for sending school sanctioned extracurricular activity is an excused absence, without penalty. We know these can accumulate quickly over sports seasons. Students are responsible for making up all work related to these absences.

Field Trips at BTC That Impact Sending Schools: BTC must provide 72 hour (3 day minimum) notice if the trip impacts sending school attendance. Sending schools may deny the student the opportunity to participate in a BTC scheduled trip at their discretion and this would be an excused absence.

Cafeteria / Food Service

The cafeteria will be available for all Tech Center students, class time permitting.

We have taken great strides to increase the amount of local products served in our cafeterias and we are proud to say that one-third of our purchases are invested into Vermont products. Our farm to school program connects students and their families with whole, fresh and local food as well as many Vermont farmers to strengthen the health of our community. We purchase locally grown foods from over 23 Vermont farms. Buying local helps to boost the programs connecting children to their food system and creating opportunities for local farmers to provide their harvest to schools in their communities.

Student Behavioral Expectations

All students in the Burlington School District are required to follow reasonable rules of conduct and behavior during the school day, on school buses, on public buses regularly used to attend school, and at school activities. Burlington School District staff is responsible for establishing and maintaining an atmosphere which fosters such behavior. Parents/guardians, staff members, and the Burlington School District share the responsibility for fostering positive behavior among students. However, the ultimate responsibility rests with the students and their parents/guardians. Parents/guardians will be informed of their child's serious misbehavior and repeated inappropriate behavior.

Disciplinary measures are designed to teach students to accept responsibility for their behaviors and to make better choices in the future. Students may be suspended or expelled for violating school rules, School Board Policies or otherwise engaging in misconduct on school property. Suspensions longer than 10 days and expulsion are imposed only by recommendation of the Superintendent and School Board Hearing. The School Board may expel a student through the end of the current school year or 90 school days, whichever is longer. Disciplinary measures shall be imposed with regard for the due process rights of the student being disciplined to the extent required by law. The use of corporal punishment, that is, the intentional infliction of physical pain for purposes of discipline, is expressly prohibited. The use of necessary and reasonable force to restrain and/or to protect the student, other persons, property and, when necessary, to quell a disturbance, is not prohibited. For full Policy F 13, visit www.bsdt.org.

Electronic Devices

Students must display proper etiquette and use of electronic devices as follows:

Students must use electronic devices appropriately. Inappropriate use includes:

- ignoring or disrespectfully responding to a question or directive of a teacher or administrator;
- creating an unpleasant loud, or negative climate for other students, staff members, teachers, and visitors;
- taking or dissemination of unauthorized photos or videos;
- cheating including texting/sharing answers, the content of tests, or other information;
- inciting, harassing, or angering others; and
- using or listening to disrespectful language and/or lyrics.

Debts, Fines & Fees

Students who are issued books, materials, and equipment (including electronic devices) are expected to return these items in the condition they were issued. This also includes cafeteria or library outstanding bills. School personnel will assess fines for items that show damage other than normal wear from use, or the replacement cost for items lost or stolen while issued. Textbooks and other instructional materials must be returned prior to the issuance of certificate of completion.

Dress Code

Standards in the area of health and safety prohibit bare feet, or clothing which is a health or safety hazard to the individual student or others. Inappropriate advertising, obscene, vulgar, or other derogatory slogans (including drugs, alcohol, weapons) are not permitted on student attire. A student whose attire impedes the learning process and/or is disruptive to the normal operation and functions of the school will be required to change his/her attire.

Driving and Parking of Motor Vehicles

Students are encouraged to use the bus transportation provided by their high schools. To drive to BTC and park on premises, students must have written permission from both their parents/guardians and their home high school, a valid driver's license, registration, and proof of insurance. After these materials are received, students can purchase a parking sticker from the

BHS Student Affairs Office. Parking permits are \$30. All students must have a parking sticker to park at Burlington High School/Burlington Technical Center.

Students may only park in the student parking lot. Motor vehicles which are not parked in that lot or that do not have the proper sticker will be ticketed, towed at the discretion of the administration, and/or their parking privileges may be revoked.

BHS/BTC assumes no liability for damages, fire and theft for persons who choose to park at BHS/BTC. Students are to obey posted speed limits and drive carefully at all times. Loitering in parking lots is prohibited. Any student violating these guidelines will have their driving privileges revoked.

[Parking Permit Form is here!](#)

Grading and Reporting

Individual course syllabi for programs reflect grading systems.

BTC Honor Roll: 90% (A-) or better in BTC program of study.

Quarterly grades are released to sending highs schools at nine week intervals. Grade updates can be checked at any time throughout the year in our PowerSchool Parent Portal.*

Medical and Sports Sciences currently use a different reporting system and parents and students in that program will be notified how to access day-to-day grades.

Health Office

BTC students needing health care during school hours will be referred to the Burlington High School Health Office. The purpose of the Health Office is to provide first aid for illness and injuries which occur during school hours. Treatment will be at the first aid level only. Students requiring medicine during school hours should meet with the school nurse to develop an appropriate plan.

Early Dismissal from School for Health Related Reasons

When any student is dismissed from school because of illness or an incident regarded as a minor injury, transportation must be provided at the discretion of the parents/guardians.

Procedure for reporting to the Health Office:

1. During class time, students are required to notify the program instructor that they will be leaving class to visit the Health Office
2. Students dismissed by the Health Office will be automatically reported to the BTC office and the program instructor will be notified.

Medication in Schools

A parent/guardian must annually complete a request form to have prescription drugs administered during school hours. A written order from the prescribing health care provider is required. The medication must be brought to school in the original container labeled with the student's name and dosage. The medication will be kept in locked storage by the school nurse, unless it is a life-saving medication. Please contact your school nurse to develop a plan of action regarding response to any allergies or asthma or if you have any questions about medication. For full Policy F 20, visit www.bsdtv.org.

Library

Students are welcome to use the Burlington High School library for research, reading, doing homework and other library-related activities.

School Closing

If it becomes necessary to close Burlington Schools for the day, announcements will be made by via the School Messenger communication system after 6:00 a.m. Local TV and radio stations, our website and additional social media will also list closings. School Messenger announcements will be sent via some combination of telephone calls, emails and text messages. It is important that the schools have accurate and up-to-date contact information for parents/guardians. You can update your contact information as part of the back-to school process via the PowerSchool Registration System. During the course of a school day, unexpected situations may occur that require closing one or all of the Burlington Schools. That decision will be made by the Superintendent's Office, with consultation of appropriate resources such as school principals, the Property Services Director and/or the Burlington Police Department. Notification of this decision will be made as far in advance as possible, although some situations may require the immediate dismissal of students.

School Safety

School safety measures include:

Identification: To monitor who enters school buildings, all staff have photo identification to be worn while in buildings at all times. This includes all teachers, paraeducators, administrators, maintenance and facilities staff, food services staff and other support personnel.

Visitors: Visitors to the buildings will be required to wear a visitor's pass during the school day. Staff are asked to watch for any adult in a building without such identification or pass and to redirect them to the office.

Doors: Schools other than the high school are asked to lock all doors during the school day. Visitors may request access to the main office through a buzzer/video camera identification system.

Signs: A sign will be posted at each building directing all visitors to the main office to sign in and get a visitor's pass.

Surveillance Cameras

Burlington High School and BTC have installed video surveillance cameras to monitor potential illegal activities such as theft, graffiti, vandalism, unauthorized entry, misconduct, and other activities that would endanger students or the school buildings owned by the Burlington community. BTC reserves the right to use images from the surveillance cameras as part of student management and discipline proceedings.

Withdrawal from BTC

Students may be withdrawn from BTC for reasons relating to attendance, performance, and/or behavior. Individual students will be considered on a case-by-case basis for re-admission in subsequent years.

Support Services

ADA Auxiliary Aids Interpreter Policy

All activities for the public shall be accessible to persons with disabilities. For programs/activities which normally attract more than 500 people, a signer will be employed by the schools. For those activities which have less than 500 participants, signers will be provided upon request. Individuals who have or become aware of the need for an accommodation to fully participate in, and to enjoy the benefits of, a school program should notify the administrator responsible for the program/activity. Requests for interpreters and other forms of accommodations will be made of the administrator responsible for the activity no less than 72 hours in advance of the activity.

Tutoring/Homebound Services

Students are eligible for instruction at home or in the hospital whenever they are unable to attend school for a period of ten consecutive school days or more because of pregnancy or a medical disability. For information about this service, please contact the school director.

Policies

18-Year Old Policy

It is recognized that many students will reach the age of majority while enrolled at the Burlington Technical Center. It is also apparent that most parents wish to remain in close contact with their son or daughter's progress at school. Therefore, it will be school policy to continue to communicate information related to school through parents, unless the school is specifically notified in writing by the parents that this is not their desire.

Academic Honesty

The Burlington Technical Center supports an academic honesty policy requiring that students produce their own work. The program instructor will immediately investigate any incident in violation of this policy. Consequences resulting from a found violation of this policy will include communication with the student's parents/guardians, a grade of zero and no credit for the work in question. Any appeals will be heard by the BTC Director. Examples of academic dishonesty include: plagiarism, forgery, copying from another student's work, using crib sheets on a test, assisting another student who disregards academic honesty, tampering with the instructor's grades or scores, a pattern of absences on test days and/or assignment due dates.

Bullying, Hazing and Harassment

In the beginning of the 2015-2016 school year, the State of Vermont made changes to its bullying, hazing and harassment policies. In previous years there were three separate policies: one for bullying, one for hazing and one for harassment. Currently, there is one policy that covers bullying, hazing and harassment. The new policy is also accompanied by a complete set of implementation procedures. For full Policy and Procedures F 29R are listed as follows on the Burlington School District Website ([LINK](#)). For a step by step, what should a student do if they feel bullied or harassed, please go to this [LINK](#).

The Burlington School District strives to foster a safe learning environment where all students and school staff display respectful behavior towards each other. Bullying in any form is not tolerated.

Specifically, bullying refers to behavior, including electronic, directed at a student from another student or group of students that is repeated over time, is intended to ridicule, humiliate or intimidate the student and occurs during the school day on school property, on a school bus, before or after the school day, or at a school-sponsored activity.

Procedures are in place at each school for handling bullying behavior, and parents are encouraged to talk with building administrators when they are concerned about bullying incidents. See Student Harassment section below for information on school-based Designated Employees and other resources available in the District.

Hazing refers to any act committed by a person (individually or with a group), on or off school property, against another student in connection with pledging, being initiated into, affiliating with, holding office in, or maintaining membership in any organization that is affiliated with the Burlington School District. Hazing activities are intended to humiliate, intimidate, or demean another student and will not be tolerated in the School District.

Consent or acquiescence by the victim of hazing does not excuse those who participated in the hazing. Hazing, soliciting, directing, aiding or attempting to aid or assist another person in hazing or failing to take reasonable measures to prevent hazing is unlawful and a student may be subject to prosecution under the law and under the District's Policy and a penalty up to \$5,000. Hazing incidents may also be reported to law enforcement agencies.

Examples of hazing include:

1. Any type of physical brutality such as whipping, beating, striking, branding, electrical shocks, placing a harmful substance on or in the body, or other similar activity.
2. Any type of physical activity such as sleep deprivation, exposure to the elements, confinement in a small space, or other activity that creates or results in an unreasonable risk of harm or that adversely affects the mental or physical health or safety of the student.
3. Any activity involving consumption of food, liquid, alcoholic beverage, liquor, drug, or other substance that subjects a student to an unreasonable risk of harm.
4. Any activity that induces, causes, or requires a student to perform a duty or task, which involves the commission of a crime or an act of hazing. Complaints of suspected hazing should be reported to the Designated Employees, listed within this handbook, who will investigate such complaints. Harassment is a form of unlawful discrimination that will not be tolerated by the Burlington School District. The District will address all complaints of harassment promptly and take reasonable steps to end harassing conduct in accordance with Policy F 29R.

Prohibited harassment:

Cyber-Bullying or Cyber-Harassment

There is no specific statute pertaining to cyberbullying or cyber-harassment. Rather, the Vermont statutes that define “harassment” and “bullying” have each been amended to expand their scope to include and cover behaviors that may happen off campus/online, but only where the behavior can be shown to impact the student’s ability to access education. For example, Cyber-harassment is referred to herein the underlined text: A. Harassment is an incident or incidents of verbal, written, visual, or physical conduct, including any incident conducted by electronic means, based on or motivated by a student’s or a student’s family member’s actual or perceived race, creed, color, national origin, marital status, disability, sex, sexual orientation, gender identity or gender expression that has the purpose or effect of objectively and substantially undermining and detracting from or interfering with a student’s educational performance or access to school resources or creating an objectively intimidating, hostile, or offensive environment.

1. Sexual Harassment: conduct that includes unwelcome sexual advances, requests for sexual favors and other verbal, written, visual or physical conduct of a sexual nature.
2. Racial Harassment: conduct directed at the characteristics of a student’s or a student’s family member’s actual or perceived race or color, and includes the use of epithets, stereotypes, racial slurs, comments, insults, derogatory remarks, gestures, threats, graffiti, display, or circulation of written or visual material, and taunts on manner of speech and negative references to racial customs.
3. Students' Rights and Responsibilities

Students are accorded all rights and responsibilities of citizenship. However, it is important that these rights do not infringe on the rights of others. School administrators and teachers are charged with the responsibility for ensuring these rights for all students and it is therefore required that students be cooperative with those in authority at all times. Students are obligated to state their names and grades to any school personnel who so request and to follow all reasonable directives of school personnel. Failure to do so will result in referral to the Director for disciplinary action. Students and their belongings (including cars) are subject to search with reasonable suspicion by an administrator.

Suspension and Expulsion

When a student cannot operate within the structure of the school community, this individual loses the privilege of being part of that community. The act of removing this privilege is called suspension. One's right to be a member of the school community may be suspended for a given length of time (up to 10 days) by an administrator. Suspension of a longer duration, or expulsion, must receive the approval of the School Board. A student's right to due process is integral to either a suspension or a dismissal. Suspended days count as excused absences and are calculated into the student's total absences for the year which may impact grade and credit loss. During suspension it is the obligation of the student to take the initiative to obtain makeup work by contacting their BTC instructor. While under suspension, the student is not permitted to be on school property and/or at school events. Such an infraction will constitute a second offense and additional disciplinary action may be taken. If a student is suspended from his/ her home school, he/she will also be suspended from BTC.

Theft

Students guilty of theft of school materials, supplies, personal, or professional belongings will immediately be suspended for a period of not less than five (5) school days. Extreme situations of theft could result in a student's removal from the program. Extreme situations are interpreted to mean multiple offenses and/or theft of high value items. Restitution will be required. Students are not permitted in teacher areas, locker rooms, etc. without permission.

Videotaping / Filming / Photography

The Burlington School District employs the use of video surveillance in various locations and at random times as a part of a system for safety and security. Videotaping, filming, or photographing students while participating in school activities requires proper preparation and justification and could violate the Family Educational and Privacy Act (FERPA). The Burlington School District reserves the right to disapprove any filming or videotaping.

Opt Out Policy: Parents/guardians may elect not to have their child(ren) videotaped, filmed, photographed or included in BTC social media postings through the use of a parent/guardian(s) form that is distributed annually and also available in the school office.

Events such as awards assemblies, plays, concerts, athletic contests or similar events that have newsworthy aspects are open to the public and, therefore, the media are not intended to be part of this Policy. In the event of fire, accident or unusual circumstance, the principal will determine if the public and/or media may be permitted access to the school.

This Policy is not applicable to videotaping, filming and photography that will only be used by school officials with a legitimate educational interest or where the work meets other exceptions to FERPA's disclosure rules.

Videotaping, filming or photography of any student without the explicit knowledge and permission of the student is expressly prohibited, except where it is done as a direct consequence of security procedures implemented with the express knowledge and approval of the Superintendent. Anyone who violates this Policy may be subject to disciplinary procedures. For full Policy F 27, visit www.bsdt.org.

Asbestos Management Plan

The Asbestos Hazard Emergency Response Act (40 CFR 763.93 [g] [4]) requires that written notice be given that Burlington High School/Burlington Technical Center has a Management Plan for the safe control and maintenance of asbestos containing materials found in its buildings. Bomb Threats & Conduct during Bomb Threats

Bomb threats, as defined below, are very disruptive to the educational activities of the Burlington schools, cause the Burlington school community members to be fearful for the personal safety of their children and themselves, threaten destruction of school property and can have a significant financial cost to the District. The Burlington School District commits to making up any and all days where school is cancelled as a result of a bomb scare. Accordingly, making a bomb threat is prohibited conduct. A student who makes a bomb threat will have engaged in exceedingly serious misconduct and serious discipline up to and including expulsion will be imposed. A student's making of a bomb threat will be a separate and distinct violation of District Policy with its own penalty, separate and apart from a violation of Vermont law which provides for as much as two years in jail and a \$5,000 fine for the first offense, and may result in a penalty of up to five years in jail and a \$10,000 fine for a subsequent offense. The School Board reserves the right to bring a lawsuit against anyone responsible for a bomb threat and to seek restitution and other damages permitted by law. "Bomb threat" means making, attempting to make, or participating in any communication, including, but not limited to, an oral or written communication, which a reasonable person would interpret to mean that a device or object could or will explode, combust, ignite or otherwise cause significant disruption, personal injury, property damage or other harm, at any Burlington school building; on Burlington school property, including school transportation vehicles; or during any Burlington school activity.

Cooperation During Investigations and Evacuations

Students who misbehave during bomb threats can endanger other students and staff as well as themselves. All students must obey all staff directions and maintain an orderly, cooperative and quiet demeanor during any activity connected with a bomb threat, including subsequent investigations. A student's failure to do so will be considered serious misconduct and can result

in serious disciplinary action, up to and including expulsion. The procedures provided for in the Student Conduct and Disciplinary Policy and Procedures, JG, will be followed where there are allegations of violation of either of the above rules.

Child Find Statement

In accordance with Federal Regulations, the Burlington School District aims to locate, identify, and evaluate children from birth to 21 years of age who may be eligible and in need of special education and related services. If you suspect that your child has a disability and is between the ages of birth–5 years of age, please call the Essential Education Program at 864-8463. If your child is between the ages of 5–21 years, please call Student Support Services at 864-8456.

Evacuation Drills

Evacuation drills will occur periodically in order to practice moving students off the BHS/BTC campus to safe locations in the event of an emergency. A card is posted in each room giving instructions as to where the class in that room should go in case of emergency. At intervals during the year, practice drills are held. Students must leave the building quietly and quickly. There will be no talking. When the buildings have been finally cleared and can be safely re-occupied, the students and staff will be instructed to re-enter. Under no circumstances should anyone attempt to fight a fire - let a faculty member know immediately. During the drill, everyone is to remain at least 100 feet from the building.

False Alarms

It is both dangerous and illegal to pull a fire alarm unless there is a fire. Protective boxes have been installed around fire alarms so that they cannot be accidentally set off. Any student who pulls a false alarm will be suspended, restitution will be required, and a recommendation for expulsion may be submitted to the School Board.

Lockdown Drills

Lockdown drills will occur periodically during the year in order for students to practice safe behavior during a potential crisis at BHS/BTC.

Emergency Telephone Numbers

Please keep the school informed of a current emergency telephone number we may call if there is no answer at home. A number at the parent or guardian's workplace or a neighbor's number

will be most helpful, and will be used for individual emergencies only, such as illness or accident.
