Welcome BTC students, families, and community partners!

Dear Burlington Technical Center Students and Families,

I am excited to be joining the Burlington Technical Center learning community this year. In my work in the Burlington School District over the past decade-and-a-half, I have worked with BTC faculty members, and have seen BTC motivate students to graduate with career and college ready skills and visions. This is what makes BTC unique, and a center for students' deeper learning opportunities. While BTC's tradition of career and technical education dates back to 1968, it continues to adapt with current technologies and approaches to learning that best supports the students and industries of today.

Burlington Technical Center offers half-day programs serving students from around our region. The half-day model allows students to immerse in career and technical education, while maintaining their connection and activities at their home high schools or alternative programs. Their programs at BTC provide specialized learning and personal growth, while offering professional certifications and college credits. Students also access industry professionals, job shadows and work-based learning opportunities.

Adult students are served at BTC in a variety of programs as well. Our most well known adult program is our aviation maintenance program located at the Burlington International Airport. Other adult programs are offered throughout the year to meet the community's desire for learning and training, as well as local industries' needs.

The dedicated faculty and staff at BTC are industry professionals, and professional educators. They deliver engaging learning opportunities informed by their "real world" experiences, and they handle students with the care and attention that each student deserves. Our operations and academic support staff add layers of learning and social and emotional support, allowing students to reach their full potentials in the specialized field they chose to explore at BTC.

The handbook that follows, explains our policies and guidelines for maximizing learning and personal connections necessary for effective career and technical education. Burlington Technical Center values all students and their unique backgrounds, personalities and challenges. We operate, and expect every member of this learning community to operate, in a manner that reduces students' challenges, and maximizes their potential.

If you are not currently enrolled at BTC, please take a look at our website and program of studies to see which program suits your needs and interests as a learner, and a future professional. Learning at BTC can expand your visions of the future, and provide opportunities you may not know exist. Please schedule a tour to get to know how BTC can serve you and your personal growth.

Thank you for your interest and commitment to BTC!

Sincerely,

Jason Reed M.Ed.
Director

Burlington Technical Center is proud to work with your high school in collaboration with you to provide the best possible experience and education. We are proud to work with and support students from our partner high schools;

- Burlington High School (including On Top & Horizon)
- BFA Fairfax High School (BFA)
- Colchester High School (CHS)
- CVU High School
- Essex High School (EHS)
- Milton High School (MHS)
- Rice High School
- South Burlington High School (SBHS)
- Winooski High School (WHS)
- Garvin

Burlington School District Calendar can be found at this link: [District Calendar](#)

****BTC will publish weekly updates with important dates including school closures and early release days for all of our sending schools. This will be sent via School Messenger. Please be sure you have an email address on file with us.**

COVID 19 Health and Safety

COVID-19 Sickness Policy Considerations for Fall 2022

*If the student or staff member is presenting with mild symptoms, the decision to test or return to class should be made by the school nurse based upon their clinical decisionmaking. Mild respiratory disease symptoms include runny nose or nasal congestion, minimal cough, and absence of fever in an individual with no current or recent household exposure to Covid-19.

*If a student or staff member is not well enough to learn or participate, regardless of whether they are tested for COVID-19, they should be sent home from school. A student who is being sent home due to illness may be required to wear a mask while awaiting pick-up. The decision to require masking should be made by the school staff. They may return to school if their symptoms have improved, and they meet school criteria for their illness. COVID-19 testing should not be required for symptomatic students or staff to return to school.

*If a student or staff member has confirmed COVID-19, they should follow the Vermont Department of Health isolation guidelines.

*Antigen tests should be used exclusively for symptomatic students and staff. COVID-19 testing should not be required for symptomatic students or staff to stay at or return to school.

*Schools will require consent from families to do in-school testing.

- Tests can be administered in school or be sent home for symptomatic students and staff.

Mission Statement

The Burlington Schools, in partnership with families and the community, will educate and inspire students to influence and shape the future through deeper learning experiences.

Core Beliefs

- 1) Everyone can learn.
- 2) The learning environment should be safe, respectful, and caring.
- 3) Education is the responsibility of every individual in the community.
- 4) Learning is a lifelong process. Everybody teaches; everybody learns.
- 5) Each person is intrinsically valuable.
- 6) Diversity is a strength of our community.
- 7) Communication and access to information is essential to learning.
- 8) Students learn in a variety of ways.
- 9) Continuous improvement is the result of on-going review and evaluation— and the will to change.
- 10) Investment in the education of our youth is vital to a healthy community. The Burlington Technical Center (BTC) is a school within the Burlington District. BTC, therefore, adheres to the principles and policies set forth by the Burlington Board of School Commissioners.

Statement of Purpose

It is the mission of the Burlington Technical Center to provide all students with the knowledge, skills and attitudes necessary to become productive members of the workforce and to go on toward further education and training.

The Technical Center will:

Provide high quality programs to reflect current needs of students, businesses and the community.

Provide leadership development opportunities for students through planned classroom activities and/or participation in Career and Technical Student Organizations.

Integrate workplace readiness skills and academic learning with technical skills to prepare students for further education and/or employment.

Coordinate with area industry/businesses to keep curriculum and equipment current with area employment needs and emerging technology.

Promote good work habits and provide safety education throughout the curriculum.

Present opportunities for faculty, administration, parents, students, and the community to participate in the planning, operation and evaluation of programs.

Provide equal educational opportunities to all students free from discrimination on the basis of race, color, religion, national origin, gender, sexual orientation, gender identity, gender expression, marital/civil union status, ancestry, place of birth, age, citizenship status, veteran status, political affiliation or disability, as defined and required by state and federal laws. Assist students in meeting state required competencies while achieving a high degree of proficiency in their chosen fields.

Promote students' lifelong learning by providing opportunities for apprenticeship, independent study, cooperative education, advanced placement articulation agreements and/or dual enrollment opportunities with postsecondary institutions. Encourage students to utilize their technical education in seeking employment and/or pursuing post-secondary education/training.

Burlington Technical Center Rules and Student Code of Conduct

Students and staff respect rights and responsibilities of ourselves and others.

1. We respect, and are considerate of, our property and the property of others.
2. We follow our designated schedules.
3. We respect the rules of specific locations.
4. We respect the equipment and safety procedures of each program.
5. It is your responsibility to follow these reasonable rules in order to promote and ensure a positive learning place.
6. We participate in learning.
7. We create a safe environment by using appropriate language and presenting a respectful attitude toward students and staff.

Disciplinary action can be taken, including suspension, for any of the following:

1. Actions which are potentially physically or mentally injurious to any individual or group, (i.e., striking another student, intimidation or harassment, pulling false alarms, dangerous operation of vehicles, carrying weapons, not following safety protocols, etc.).
2. Stealing, damaging or defacing personal or school property.
3. Selling, distributing, possessing or using alcoholic beverages or illegal drugs, unauthorized prescription drugs and possession of related paraphernalia, tobacco or e-cigarette products, etc.
4. Harassment. See BTC Harassment Policy and Sexual Harassment Policy.
5. Loitering on School District property. (A student or other individual is loitering when he/she continues to remain on school property after being requested to leave.)
6. Preventing, disrupting, or attempting to prevent any staff member and/or student from carrying out his/her responsibilities and/or learning activities.
7. Leaving a program location without teacher or BTC permission.

Note: With reasonable suspicion, administrators may search student belongings, lockers, clothing and personal effects for possession of illegal or inappropriate substances and property.

A student may be required to attend in-school counseling sessions, or an anger management program, as a part of a reentry plan following a disciplinary action.

Burlington Technical Center is a closed campus, meaning that it is secured for only students enrolled in its programs, and permitted guest teachers arranged by staff. Once students are in their classes for the day, they may not leave and return to the building.

Secure Campus

Burlington Technical Center is a secure campus that does not permit visitors during the hours of the student and staff day. Teachers may arrange for guest teachers or industry professionals to be involved as a part of a class or lab. All other visitors should plan ahead with the main office. Of course we welcome parents and guardians into BTC when you would like to connect about your student/s. We ask that you plan ahead so that we're sure to give you the attention you deserve.

Daily Schedule

Morning classes	9:35am-11:47am
Afternoon classes	12:09pm-2:21pm

***Be sure to check your schedule carefully.**

Daily Schedule:

7:45-8:45 Teacher class planning, lab preparation, safety checks, necessary communication

9:30- Student arrival (breakfast available)

9:35-11:47 Classes and labs

11:47- Student dismissal (lunch available)

11:47- Student arrival (lunch available)

12:09- 2:21 Classes and labs

2:21- Student dismissal

2:21- Teacher and staff meetings, Committees, Industry visits

Absences / Attendance and Grading

Parents/Guardians or sending school should report all excused absences or early dismissals before the start of class whenever possible

Reporting absences: 864-8426 ext 12002

BTC Attendance Policies & Procedures

Regular attendance in class is core to instructional success, school climate, and a safe environment. As a shared responsibility, the administration commits to consistent support of teachers in an effort to uphold these policies.

Student Tardy Concerns/Restorative Response and Support

1. After one unexcused tardy, the teacher will investigate the cause and if appropriate, issue a student a verbal warning. (Robo-call from the Registrar)
2. After the second unexcused tardy, the teacher will have a dialogue with the student about timeliness. The instructor may contact the parent and request that the student make up the time or work that they missed.
3. After tardy number three, the teacher makes parent contact via email or phone and documents the outreach. At this point the school counselor will assist the teacher and student at resolving issues causing tardiness.
4. A fourth tardy will result in an absence and could jeopardize grades and/or credit awards.
5. If being late for classes or labs persists, a meeting with a parent/guardian and/or sending school will be necessary.
6. Minutes of missed class time will be tracked and can result in an ABSENT in the student's record if the minutes total a class/lab period.

Excused Absences

Medically excused absences must be verified by a parent / guardian or medical authority (school nurse, counselor, health care professional, physician). Medically excused absences must be submitted within 5 school days to be considered, or the absence will be considered unexcused.

Students will have the ability to make up the work by the end of the marking period, or sooner if mandated by the teacher. Students that have proper medical documentation will be afforded every accommodation possible to either achieve program completion.

Without medical documentation or school approved absences (sports, school sanctioned activities) students may experience credit reduction and or fail a program.

Excessive Absences (unrelated to school sanctioned activities, see below): When approaching 10 absences, a student's attendance and performance will be reviewed with the parent/guardian, program instructor, and administration. This could result in a student transitioning out of BTC.

Sports / Activity Participation: Many students participate in a number of extra curricular sports and activities (plays, etc) throughout the year. Each student who leaves for sending school sanctioned extracurricular activity is an excused absence, without penalty. We know these can accumulate quickly over sports seasons. Students are responsible for making up all work related to these absences.

Field Trips at BTC That Impact Sending Schools: BTC must provide 72 hour (3 day minimum) notice if the trip impacts sending school attendance. Sending schools may deny the student the opportunity to participate in a BTC scheduled trip at their discretion and this would be an excused absence.

Early Dismissals are required to be called in by a parent or guardian. Excessive tardiness or

dismissals will result in a meeting to discuss appropriate support or transition plans.

Food Service

BTC will provide meals for students at each location as long as a student signs up with their program teacher.

- Breakfast and lunch are free to all students.

National Technical Honor Society

BTC is a proud member of the National Technical Honor Society (NTHS). In February, BTC teachers will nominate students for NTHS based on these qualifications; minimum cumulative average in CTE Program of 90 (2nd year students average of both years), no significant discipline issues: at sending school or CTE Program, 3.0 Career GPA at sending school (will be checked by Guidance), evidence of leadership activities, and evidence of community service. Students will be asked to write a personal essay, submit a resume, complete the NTHS application and show evidence of community service.

In May of 2023 BTC will honor students who earn NTHS in an induction ceremony as well as students will receive a NTHS Sash to wear at their graduation ceremony.

Student Behavioral Expectations

All students in the Burlington Technical Center are required to follow reasonable rules of conduct and behavior during the school day, on school buses, on public buses regularly used to attend school, and at school activities. Burlington Technical Center staff is responsible for establishing and maintaining an atmosphere which fosters such behavior. Parents/guardians, staff members, and the Burlington Technical Center share the responsibility for fostering positive behavior among students. However, the ultimate responsibility rests with the students and their parents/guardians. Parents/guardians will be informed of their child's serious misbehavior and repeated inappropriate behavior.

Disciplinary measures are designed to teach students to accept responsibility for their behaviors and to make better choices in the future, and be college and career ready. While we do everything we can to prevent suspensions, students may be suspended or expelled for severe violations of school rules, school board policies or otherwise engaging in misconduct on school property. Suspensions longer than 10 days and expulsion are imposed only by recommendation of the Superintendent and a School Board Hearing. The School Board may expel a student through the end of the current school year or 90 school days, whichever is longer. Disciplinary measures shall be imposed with regard for the due process rights of the student being disciplined to the extent required by law. The use of corporal punishment, that is, the intentional infliction of physical pain for purposes of discipline, is expressly prohibited. The use of necessary and reasonable force to restrain and/or to protect the student, other persons, property and, when necessary, to quell a disturbance, is not prohibited. For full Policy F 13, visit www.bsdtvt.org.

Student Professionalism Safety Agreement

Burlington Technical Center prides itself on teaching and learning with students about career and technical education, which enables students to be prepared for college and or a career after high school. The experiences a student can participate in at BTC enrich skill sets, help develop lifelong learners, and prepares students for life after high school. As part of this learning our health and safety, like in any profession, depends on how we treat and take care of one another.

Burlington Technical Center teaches students about safety in all of our programs as part of the learning. This includes heavy equipment, use of tools, caring for customers, and ensuring our work or actions does not harm other people. Safety is just an extension of our normal career protocols and potential employment.

As a member of the BTC community and enrolling in any of our programs you automatically agree and pledge to protect the health and the safety of others. Students will practice daily safety efforts to help prevent harm to another member of our community.

Academic Honesty/Plagiarism

The Burlington Technical Center supports an academic honesty policy requiring that students produce their own work. The program instructor will immediately investigate any incident in violation of this policy. Consequences resulting from a found violation of this policy will include communication with the student's parents/guardians, a grade of zero and no credit for the work in question. Any appeals will be heard by the BTC Director. Examples of academic dishonesty include: plagiarism, forgery, copying from another student's work, using crib sheets on a test, assisting another student who disregards academic honesty, tampering with the instructor's grades or scores, using electronic technology to cheat or gain an advantage, a pattern of absences on test days and/or assignment due dates.

Electronic Devices

Students must use electronic devices appropriately.

- My student understands that their device is the property of the Burlington School District.
- My student understands that their browsing history, activity on Google suite of tools, downloads, and email (if applicable) are all subject to review by authorized school personnel as well as filtering/monitoring software (such as GoGuardian Admin and Cisco Umbrella).
- My student understands that they are responsible for the care and security of their device outside of school.
- My student understands that they should keep food and drink away from their device.
- My student understands that they will not scratch off/remove any serial numbers or permanently alter the device in any way.

- My student understands that they should only use their device for learning purposes and will use safe, responsible and respectful behavior while online.
 - My student understands that they should bring their device to school each day charged and ready to use for learning.
 - My student understands that they will notify a teacher or school staff member immediately in the event of theft, vandalism, unauthorized use, or damage to their device, or if they are aware of any cyberbullying, technology problems or violations.
 - Creating an unpleasant loud, or negative climate for other students, staff members, teachers, and visitors
 - Taking or dissemination of unauthorized photos or videos
 - Cheating including texting/sharing answers, the content of tests, or other information
 - Inciting, harassing, or angering others
 - Using or listening to disrespectful language and/or lyrics.
 - Students using BSD/BTC wifi, BTC School email addresses and are found to be accessing inappropriate websites, pornography, violence, or racist content may be subject to discipline and loss of technology.

Debts, Fines & Fees

Students who are issued books, materials, and equipment (including electronic devices) are expected to return these items in the condition they were issued. School personnel will assess fines for items that show damage other than normal wear from use, or the replacement cost for items lost or stolen while issued. Textbooks and other instructional materials must be returned prior to the issuance of certificate of completion or final grades may be withheld.

Dress Code

Standards in the area of health and safety prohibit bare feet or open shoes, or clothing which is a health or safety hazard to the individual student or others. Inappropriate advertising, obscene, vulgar, or other derogatory slogans (including drugs, alcohol, weapons, racist language or images) are not permitted on student attire. A student whose attire impedes the learning process and/or is disruptive to the normal operation, safety and functions of the school will be required to change his/her attire or be dismissed for the day.

Driving and Parking of Motor Vehicles

Many of BTC's locations have enough parking spaces for students and need to confirm with their program teacher for a space.

Students who must drive to the 110 Cherry street Location are encouraged to use the bus transportation provided by their high schools. Students who drive must have written permission from both their parents/guardians and their home high school, a valid driver's license, registration, and proof of insurance. After these materials are received, students can purchase a parking permit with the help of BTC.

Parking permits are \$40.00 dollars a month. All students must have a parking permit to park. If a vehicle is towed BTC has no responsibility in this course of action.

BHS and BTC assumes no liability for damages, fire and theft for persons who choose to park at BHS/BTC. Students are to obey posted speed limits and drive carefully at all times. Loitering in parking lots is prohibited. Any students violating these guidelines will have their driving privileges revoked.

Grading and Reporting

Individual course syllabi for programs reflect grading systems.

BTC Honor Roll: 90% (A-) or better in the BTC program of study.

Quarterly grades are released to partner high schools at ten week intervals. Grade updates can be checked at any time throughout the year in our PowerSchool Parent Portal.*

Health Sciences Academy Advanced Pathway currently uses a different reporting system and parents and students in that program will be notified how to access day-to-day grades.

Health Office

BTC students needing health care during school hours will be referred to the Burlington High School Health Office. The purpose of the Health Office is to provide first aid for illness and injuries which occur during school hours. Treatment will be at the first aid level only. Students requiring medicine during school hours should meet with the school nurse at your sending school to develop an appropriate plan.

Early Dismissal from School for Health Related Reasons

When any student is dismissed from school because of illness or an incident regarded as a minor injury, transportation must be provided at the discretion of the parents/guardians.

Procedure for reporting to the Health Office:

1. During class time, students are required to notify the program instructor that they will be leaving class to visit the Health Office
2. Students dismissed by the Health Office will be automatically reported to the BTC office and the program instructor will be notified.

Medication in Schools

A parent/guardian must annually complete a request form to have prescription drugs administered during school hours. A written order from the prescribing health care provider is required. The medication must be brought to school in the original container labeled with the student's name and dosage. The medication will be kept in locked storage by the school nurse, unless it is a life-saving medication. Please contact your school nurse at your sending school to develop a plan of action regarding response to any allergies or asthma, or if you have any

questions about medication. For full Policy F 20, visit www.bsdyt.org

*BTC does not have a school nurse and plans should be made with your sending school.

School Closing

If it becomes necessary to close Burlington Schools for the day, announcements will be made via the School Messenger communication system after 6:00 a.m. Local TV and radio stations, our website and additional social media will also list closings. School Messenger announcements will be sent via some combination of telephone calls, emails and text messages. **It is important that the schools have accurate and up-to-date contact information for parents/guardians.**

You can update your contact information as part of the back-to-school process via the PowerSchool Registration System.

During the course of a school day, unexpected situations may occur that require closing one or all of the Burlington Schools. That decision will be made by the Superintendent's Office, with consultation of appropriate resources such as school principals, the Property Services Director and/or the Burlington Police Department. Notification of this decision will be made as far in advance as possible, although some situations may require the immediate dismissal of students.

School Safety

School safety measures include:

Identification: To monitor who enters school buildings, all staff have photo identification to be worn while in buildings at all times. This includes all teachers, paraeducators, administrators, maintenance and facilities staff, food services staff and other support personnel.

Visitors: Visitors to the buildings will be required to wear a visitor's pass during the school day. Staff are asked to watch for any adult in a building without such identification or pass and to redirect them to the office.

Doors: Schools are asked to lock all doors during the school day. BTC students will be required to enter the building location by their established set of guidelines.

Surveillance Cameras

Many of the BTC locations have installed video surveillance cameras to monitor potential illegal activities such as theft, graffiti, vandalism, unauthorized entry, misconduct, and other activities that would endanger students or the school buildings owned by the Burlington community. BTC reserves the right to use images from the surveillance cameras as part of student management and discipline proceedings.

Withdrawal from BTC

Students may be withdrawn from BTC for reasons relating to attendance, performance, safety, and/or behavior. Individual students will be considered on a case-by-case basis for re-admission in subsequent years. Students who wish to withdraw should notify their program teacher and the BTC Guidance Coordinator.

Support Services

ADA Auxiliary Aids Interpreter Policy

All activities for the public shall be accessible to persons with disabilities. For programs/activities which normally attract more than 500 people, a signer will be employed by the schools. For those activities which have less than 500 participants, signers will be provided upon request. Individuals who have or become aware of the need for an accommodation to fully participate in, and to enjoy the benefits of, a school program should notify the administrator responsible for the program/activity. Requests for interpreters and other forms of accommodations will be made of the administrator responsible for the activity no less than 72 hours in advance of the activity.

Tutoring/Homebound Services

Students are eligible for instruction at home or in the hospital whenever they are unable to attend school for a period of ten consecutive school days or more because of pregnancy or a medical disability. For information about this service, please contact the school director.

Policies

18-Year Old Policy

It is recognized that many students will reach the age of majority while enrolled at the Burlington Technical Center. It is also apparent that most parents wish to remain in close contact with their son or daughter's progress at school. Therefore, it will be school policy to continue to communicate information related to school through parents, unless the school is specifically notified in writing by the parents or a student completes an Adult Status form and that this is not their desire. Adult Status forms can be found with the BTC Registrar in the office of 110 Cherry Street.

Bullying, Hazing and Harassment

In the beginning of the 2015-2016 school year, the State of Vermont made changes to its

bullying, hazing and harassment policies. In previous years there were three separate policies: one for bullying, one for hazing and one for harassment. Currently, there is one policy that covers bullying, hazing and harassment. The new policy is also accompanied by a complete set of implementation procedures. The policy and Procedures F 29R are listed as follows on the district website and by [clicking here](#).

Student Guidance

If you feel you are being harassed, this is what you need to do in order for BTC to help resolve the incident:

- DO NOT IGNORE IT! Everyone has a right to feel accepted and safe in school.
- TELL THE PERSON TO STOP IT.. Be polite and clear about how you feel.

If the person does not stop, or you are afraid to say something to this person, TELL A TRUSTED ADULT. At BTC this includes; Guidance Counselor, BTC Director, Program Teacher, Student Services Coordinator, Work Based Learning Coordinator, English Language Teacher, Paraeducator.

- A friend can go with you for support.
- A friend can report the incident for you if you are not comfortable doing so.

This is what the adult can do for you:

- Listen to you.
- Help decide what to do next. Support you in your feelings and decisions.
- Help you talk to your Guidance Counselor or Director.

YOU WILL BE ASKED:

- What happened?
- How did that make you feel/?
- What do you want to happen next?

Sometimes problems are resolved at this informal discussion, and if appropriate a parent or guardian will be notified.

IF THE PROBLEM IS NOT RESOLVED, OR IT CONTINUES, THEN YOU CAN FILE A FORMAL COMPLAINT.

- This formal process involves describing the harassing incident to an administrator.

- A complete investigation of the situation will be made by the administrator.
- Parents will be notified.
- The BTC Director will determine any disciplinary action against the offender.

The Burlington School District/Burlington Technical Center strives to foster a safe learning environment where all students and school staff display respectful behavior towards each other. Bullying in any form is not tolerated.

Bullying refers to behavior, including electronic communication, directed at a student from another student or group of students that is repeated over time, is intended to ridicule, humiliate or intimidate the student and occurs during the school day on school property, on a school bus, before or after the school day, at a school-sponsored activity, or in an on-line platform.

Procedures are in place at each school for handling bullying behavior, and parents are encouraged to talk with building administrators when they are concerned about bullying incidents. See Student Harassment section below for information on school-based Designated Employees and other resources available in the District.

Hazing refers to any act committed by a person (individually or with a group), on or off school property, against another student in connection with pledging, being initiated into, affiliating with, holding office in, or maintaining membership in any organization that is affiliated with the Burlington School District. Hazing activities are intended to humiliate, intimidate, or demean another student and will not be tolerated in the School District.

Consent or acquiescence by the victim of the hazing does not excuse those who participated in the hazing. Hazing, soliciting, directing, aiding or attempting to aid in or assist another person in hazing or failing to take reasonable measures to prevent hazing is unlawful and a student may be subject to prosecution under the law and under the District's Policy and a penalty up to \$5,000. Hazing incidents may also be reported to law enforcement agencies.

Examples of hazing include:

1. Any type of physical brutality such as whipping, beating, striking, branding, electrical shocks, placing a harmful substance on or in the body, or other similar activity.
2. Any type of physical activity such as sleep deprivation, exposure to the elements, confinement in a small space, or other activity that creates or results in an unreasonable risk of harm or that adversely affects the mental or physical health or safety of the student.
3. Any activity involving consumption of food, liquid, alcoholic beverage, liquor, drug, or other substance that subjects a student to an unreasonable risk of harm.
4. Any activity that induces, causes, or requires a student to perform a duty or task, which involves the commission of a crime or an act of hazing. Complaints of suspected hazing should be reported to the Designated Employees, listed within this handbook, who will investigate such

complaints. Harassment is a form of unlawful discrimination that will not be tolerated by the Burlington School District. The District will address all complaints of harassment promptly and take reasonable steps to end harassing conduct in accordance with Policy F 29R.

Prohibited harassment:

Cyber-Bullying or Cyber-Harassment

There is no specific statute pertaining to cyberbullying or cyber-harassment. Rather, the Vermont statutes that define “harassment” and “bullying” have each been amended to expand their scope to include and cover behaviors that may happen off campus/online, but only where the behavior can be shown to impact the student’s ability to access education. For example, Cyber-harassment is referred to herein the underlined text: A. Harassment is an incident or incidents of verbal, written, visual, or physical conduct, including any incident conducted by electronic means, based on or motivated by a student’s or a student’s family member’s actual or perceived race, creed, color, national origin, marital status, disability, sex, sexual orientation, gender identity or gender expression that has the purpose or effect of objectively and substantially undermining and detracting from or interfering with a student’s educational performance or access to school resources or creating an objectively intimidating, hostile, or offensive environment.

1. Sexual Harassment: conduct that includes unwelcome sexual advances, requests for sexual favors and other verbal, written, visual or physical conduct of a sexual nature.
2. Racial Harassment: conduct directed at the characteristics of a student’s or a student’s family member’s actual or perceived race or color, and includes the use of epithets, stereotypes, racial slurs, comments, insults, derogatory remarks, gestures, threats, graffiti, display, or circulation of written or visual material, and taunts on manner of speech and negative references to racial customs.
3. Other Protected Categories of Harassment: Conduct directed at the characteristics of a student’s or a student’s family member’s actual or perceived creed, religion, national origin, marital status, disability, sex, sexual orientation, gender identity, or gender expression; includes but is not limited to the use of epithets, stereotypes, slurs, comments, insults, derogatory remarks, gestures, threats, graffiti, display, or circulation of written or visual material, taunts on manner of speech or dress, and negative references to customs related to any of these protected categories.
 - a. Creed or Religious Harassment means harassment based on or motivated by a student’s or a student’s family member’s actual or perceived creed or religious beliefs or practices, including manner of dress.
 - b. National Origin Harassment means harassment based on or motivated by a student’s or a student’s family member’s actual or perceived national origin, including manner of dress.
 - c. Marital Status Harassment means harassment based on the status of being an unwed mother or father directed at, or motivated by a student’s or a student’s family member’s actual or

perceived marital status.

d. Sexual Orientation Harassment means harassment based on or motivated by a student's or a student's family member's actual or perceived sexual orientation.

e. Gender Identity Harassment means harassment based on an individual's actual or perceived gender related identity or gender related characteristics, intrinsically related to an individual's gender or gender identity, including but not limited to appearance or behavior, regardless of the individual's assigned sex at birth.

f. Gender Expression Harassment means harassment based on or motivated by an individual's or individual's family member's actual or perceived gender expression, including, but not limited to, appearance or behavior, regardless of the individual's assigned sex at birth.

g. Disability Harassment means harassment based on manner of speech or movement, cognitive ability, receipt of educational services outside of the general education environment, or other manifestation of a person's disability directed at, or motivated by a student's or a student's family member's actual or perceived disabling mental or physical disability.

Reporting Harassment: All students, parents/ guardians, school community members other than staff are encouraged to report incidents of misconduct or student harassment to a school employee or one of the two Designated Employees at your school/building. Any adult school employee who sees or hears, or receives a report either written or oral, of student harassment, the employee must immediately inform a Designated Employee. A list of current Designated Employees is listed within this handbook.

Currently, the Designated Employees at BTC are:

Shannon Bundy, W-BL Coordinator 864-8426 ext 12006•

Jason Reed, Director 864-8426 ext 12003 • jreed@bsdvt.org

Title IX Coordinator:

Henri "Sparks" Sparks, Director of Equity, hsparks@bsdvt.org

Investigation:

A Designated Employee, who is not the subject of the complaint, will begin an inquiry upon notice of the complaint. When it has been determined an investigation is necessary the complainant and the accused will be notified.

Consequences: If an individual is found to have engaged in misconduct or harassment, he/she/they will receive education; training; discipline, up to and including suspension, expulsion or termination; banning from school property or other consequences that are appropriate to the offense and that are designed to prevent future harassment.

Independent Review: A complainant may make a written request to the Superintendent for an independent review of the matter if the complainant (1) believes that the school did not correctly analyze the complaint and failed to conduct an investigation of the matter because the school believed the alleged conduct was not possible harassment, (2) is dissatisfied with the final determination made after the investigation as to whether harassment occurred, or (3) believes that although a final determination was made that harassment occurred, the school's response was inadequate to correct the problem. The independent review shall be conducted by a neutral person in accordance with the Policy.

Retaliation: Retaliation against anyone who files a harassment/bullying complaint or cooperates in making or the investigation of a complaint is strictly prohibited, is a basis for separate discipline, and illegal pursuant to 9 V.S.A. 4503(a).

Privacy: Complaints, and any resulting consequences, will be confidential as permitted by investigative needs, duty to act on certain results, compliance with Public Record Requests, and consistent with the Family Education Rights Privacy Act. **Alternative Complaint Process:** Complaints of harassment can also be filed with: Regional Director, Office for Civil Rights, U.S. Department of Education; 8th floor, 5 Post Office Square, Boston, MA 02109-3921; Email: OCR.Boston@ed.gov, (617) 289-0111 or (877) 521- 2172 (TDD); or the Vermont Human Rights Commission, 14–16 Baldwin St., Montpelier, VT 05633-6301, Email: human.rights@state.vt.us, (800) 416-2010 (Voice) or (877) 294-9200 (TTY).

Prohibition of Discrimination and or Harassment of Employees and Others: Prohibition of Discrimination and or Harassment of Employees and Others: In summary, discrimination and or harassment of an employee or other person protected by the laws listed below and Board Policies, on the basis of any of the following characteristics of his or her race, national origin, color, creed, religion, age, sex (including but not limited to sexual harassment, pregnancy, parental status), disability, sexual orientation, gender identity, gender expression, ancestry, marital status, place of birth, or political affiliation is a form of unlawful discrimination and is prohibited by School District Policies and as provided for in Title V, Section B, 504 of the Rehabilitation Act of 1973, 29 U.S.C. § 794, et seq.; Title VI of the Civil Rights Act of 1964, 42 U.S.C. § 2000d, et seq.; Title VII of the Civil Rights Act of 1964, 42 U.S.C. § 2000e, et seq.; Title IX of the Education Amendments of

Confidentiality

Information shared with the school counselor "IN CONFIDENCE" WILL BE KEPT CONFIDENTIAL...with 4 important exceptions:

1. The student is hurting or is planning to hurt him/herself.
2. The student has hurt, is hurting, or is planning to hurt someone else.
3. The student indicates that someone else has hurt, is hurting, or is planning to hurt him/her.
4. The student indicates that someone else has hurt, is hurting, or is planning to hurt another person.

Grievance Process

Students are not subject to arbitrary decisions and are guaranteed individual rights. The method to provide for these individual rights and to ensure fair judgment for the student is called Due Process. This process provides for:

1. Notification and knowledge of the charges against the individual.
2. Notification of the facts on which the charge is based.
3. The opportunity for the accused to be heard & to present his/her position.
4. An impartial decision-maker.
5. The accused to be informed of the decision.
6. The right to appeal to the next highest authority.
7. Students who wish to grieve Burlington Technical Center start with their complaint to the Director, then go to the Burlington Superintendent, and then to the Burlington School Board.

Drugs / Alcohol

As required by Vermont State Law (Title 16, Section 1165, 909), the Burlington Schools have a comprehensive K-12 Drug and Alcohol Abuse Prevention curriculum. Additionally, teacher training programs, support and referral systems, a cooperative referral agreement with an approved treatment agency, an approved School Board Policy and District-wide awareness of the issue exist. When students violate Board Policy regarding the use, possession, distribution and/or are under the influence of a substance, school officials may take one or more of the following actions: a. Removal of student from classroom. b. Parent conference. c. Behavioral plan/contract with parent/guardian(s) as partners. d. Referral to other School District resources. e. Referral to outside agencies. Any sale of contraband will be considered the most serious offense and shall be referred to the appropriate enforcement agency. a. Long- and/or short-term suspension. b. Expulsion. For full Policy F 10R, visit www.bsdrv.org.

Acceptable Electronic Resource Use Policy

The Burlington School District has a policy that promotes the safe, ethical, responsible and legal use of electronic resources, including the Internet, in accordance with the Children's Internet Protection Act. Electronic resources are to be used solely for educational purposes, and students are to be protected against potential dangers.

Access to electronic resources is made available to all students who abide by the School District Policy.

Violation of this Policy and accompanying procedures may result in school disciplinary action up to and including expulsion or referral to local, state or federal law enforcement officials. Students and their parents/ guardians shall be held accountable for any misuse or damage of the District's electronic equipment or resources. Any unauthorized access to information that results in a monetary charge to the District will be billed to the user.

Student Expectations

Students may access electronic resources for educational purposes only. They shall not be used for commercial or entertainment purposes.

Parental Notification and Responsibility

Parents/guardians have the right to terminate their child(ren)'s access to electronic resources at any time. The School District recognizes that parents/guardians bear primary responsibility for transmitting their particular family values to their children.

Supervision, Monitoring and Retention of Records

The School District monitors use of the Internet and an appropriate investigation will be conducted if there is reasonable suspicion that a user has violated any District Policies or the law.

Limitation / Disclaimer of Liability

The District shall not be liable for students' unacceptable use or violations of copyright restrictions or other laws, user mistakes or negligence, and costs incurred by users.

Free Speech, Portals, Selection of Materials

The District may restrict student speech for valid educational reasons. The District will not restrict student speech on the basis of viewpoint discrimination.

Student Safety when Using Direct Electronic Communication

Students will not post personal contact information about themselves or other people and

must agree to follow safety requirements outlined in procedures when using electronic communications.

Illegal, Unauthorized and Inappropriate Activities

Students may not access materials for any purpose that the District deems to be potentially harmful, inappropriate, illegal and non-educational.

Plagiarism and Copyright Infringement

Users will not plagiarize works that they find on the internet.

In the Registration process you have agreed to the Burlington School District Acceptable Use Policy.

Due Process

In the event there is an allegation that a student has violated this Policy, the Student Conduct and Disciplinary Policy shall apply, including all rights to due process. For full Policy G 6R, visit www.bsdt.org.

Non-Discrimination

Applicants for admission and employment, students, parents, employees, sources of referral of applicants for admission and employment, and all unions or professional organizations holding collective bargaining or professional agreements with the Burlington School District are hereby notified that it is the intent of the Burlington Board of School Commissioners that the District will

not discriminate against employees and/or applicants for employment, students or other designated beneficiaries of the statutes listed below on the basis of race, sex, gender (including but not limited to pregnancy and parental status), color, age, creed, religion, disability, handicap, ancestry, place of birth, national origin, marital status, political affiliation, sexual orientation, gender identity or gender expression in any of its employment and education practices, policies, procedures or decisions or in the operation of, access to, participation in, benefit of or admission to its programs, activities, services and facilities and that it will provide equal access to the Boy Scouts of America and other designated youth groups in compliance with and to the extent provided by the laws listed below.

The District's Title VI Coordinator, the Age Discrimination Act Coordinator and Americans with Disabilities Act Coordinator for employees and others: Denise Bailey, Human Resources Director, Burlington School District (802) 864-2159; 1-800-253-0191 Henri Sparks, Director of Equity is the district's Title IX Coordinator for employees, students, parents and other such relatives, friends, guest speakers or visitors: The District's Americans with Disabilities Act

Coordinator for students and §504 Coordinator: Damon Peykar Director of Special Services of the Burlington School District (802) 864- 2159

Sexual Harassment

A summary of the District's Sexual Harassment Policy, ACAA and the Complaint procedures is included in this Handbook's section on Harassment. Full copies of the Sexual Harassment Policy and Complaint Procedures are posted in the school and are available from the director's office or the office of the superintendent.

Smoking/Tobacco Prohibition

The use of tobacco or tobacco related electronic devices on school grounds is a violation of state law and is hereby prohibited. This ban extends to any student, employee or visitor to the school, and applies at all times, whether or not school is in session. In addition, students are prohibited from possession or use of tobacco products on school grounds, at school sponsored functions or while under the supervision of school staff. If a student is discovered to be in possession of tobacco products, appropriate school personnel will confiscate the tobacco product and make appropriate referrals to law enforcement authorities. For purposes of this policy, school grounds means any property and facilities owned or leased by the school and used at any time for school related activities, including but not limited to school buildings, areas adjacent to school buildings, athletic fields and parking lots. Consequences for violation of this policy may include:

First Offense One day out-of-school suspension. Police and parents will be notified.

Second Offense Two days out-of-school suspension. Police and parents will be notified.

Third Offense Three days out-of-school suspension. Parental conference will be convened including the student, parent(s), and the Director, following which the Director may recommend disciplinary action up to and including termination from the BTC program.

This is consistent with the procedures outlined for suspension and expulsion in School Board policy and Student Conduct and Discipline:

Student Records / Information

Parents/guardians of a student enrolled in the Burlington School District have certain rights concerning identifiable education records which the District maintains for each student. These rights are afforded by the Family Education Rights and Privacy Act (FERPA).

Parent / guardian(s) and eligible students rights

To inspect and review the student's education records within a reasonable time. To seek the correction of the student's education record if needed.

To consent to disclosure of personally identifiable information from the student's education records.

To file complaints, regarding the Burlington School District's alleged violation of FERPA with the U.S. Department of Education, Family Policy and Regulations Office, Washington, D.C. 20202.

Inspection and Review of Educational Records: The principal or other appropriate school official will make the needed arrangements for access as promptly as possible and notify the parent/guardian(s), eligible student or student who is making the request of the time and place where the records may be inspected.

Requesting Amendment of Educational Records: Parents/guardians or the eligible student must request the Burlington School District amend their student's records. They should identify the part of their record they want changed and specify why they believe it is inaccurate, misleading or in violation of the student's privacy or other rights.

Disclosure of Information without Consent of Parent / Guardian(s): The Burlington School District will disclose information from a student's record without the parent/guardian(s) consent in accordance with the exceptions to consent permitted by FERPA, 99 CFR §99.31 and the Board's Policy and Procedures on Education Records (F 3R).

Directory Information:

The District may disclose information designated as "Directory Information" unless the parent/guardian(s) notifies the District that the information cannot be released. The following information is Directory Information: name of parent/guardian(s) and address, email address, student name, address, telephone number, date of birth, gender, weight and height of members of athletic teams, participation in activities recognized by the District, dates of attendance, degrees and awards received, yearbook picture, class pictures, most recent previous school attended and the school to which the student transferred, if applicable. This information may be disclosed at the discretion of District administrators or school principal.

To Limit the Disclosure of Directory Information:

If you do not wish the Burlington School District to disclose information without your consent, parents/ guardians or eligible student must submit a written request to be received by the student's school principal within 10 working days of the date of the distribution of this notice or the date of the student's (your) enrollment, whichever comes later.

Disclosure to Teachers and Other School Officials with a Legitimate Educational Interest: In accordance with FERPA, its regulations and with the School Board Policy and Procedure, the District will release educational records to teachers and other school officials with a legitimate educational interest.

They are:

- A person performing a task that is specified in his/her position description or by a contract agreement.
- A person performing a task related to a student's education.
- A person performing a task related to the discipline of a student.
- A person providing a service or benefit relating to the student or student's family, such as health care, counseling, or job placement.
- A person performing a task related to a student's attendance at school or other matter requiring law enforcement involving students.
- A person performing a task related to ensuring the safety and security of the District, including its students.

Students' Rights and Responsibilities

Students are accorded all rights and responsibilities of citizenship. However, it is important that these rights do not infringe on the rights of others. School administrators and teachers are charged with the responsibility for ensuring these rights for all students and it is therefore required that students be cooperative with those in authority at all times. Students are obligated to state their names and grades to any school personnel who so request and to follow all reasonable directives of school personnel. Failure to do so will result in referral to the Director for disciplinary action. Students and their belongings (including cars) are subject to search with reasonable suspicion by an administrator.

Suspension and Expulsion

When a student cannot operate within the structure of the school community, this individual loses the privilege of being part of that community. The act of removing this privilege is called suspension. One's right to be a member of the school community may be suspended for a given length of time (up to 10 days) by an administrator. Suspension of a longer duration, or expulsion, must receive the approval of the School Board. A student's right to due process is integral to either a suspension or a dismissal. Suspended days count as excused absences and are calculated into the student's total absences for the year which may impact grade and credit loss. During suspension it is the obligation of the student to take the initiative to obtain makeup work by contacting their BTC instructor. While under suspension, the student is not permitted to be on school property and/or at school events. Such an infraction will constitute a second offense and additional disciplinary action may be taken. If a student is suspended from his/ her home school, he/she will also be suspended from BTC.

Theft

Students guilty of theft of school materials, supplies, personal, or professional belongings will immediately be suspended for a period of not less than five (5) school days. Extreme situations of theft could result in a student's removal from the program. Extreme situations are interpreted to mean multiple offenses and/or theft of high value items. Restitution will be required. Students are not permitted in teacher areas, locker rooms, etc. without permission.

Transgender and Gender Nonconforming Students

BTC supports all students in their learning and we follow the Vermont Agency of Education Best Practices for Schools Regarding Transgender and Gender Nonconforming Students. Visit: [AOE Guidelines](#)

Vandalism

Any vandalism or defacement of property will have severe consequences. Students who vandalize or deface property will be subject to a suspension, financial restitution, and a request for expulsion may be submitted to the Superintendent (see Student Conduct and Discipline).

Videotaping / Filming / Photography

The Burlington School District employs the use of video surveillance in various locations and at random times as a part of a system for safety and security. Videotaping, filming, or photographing students while participating in school activities requires proper preparation and justification and could violate the Family Educational and Privacy Act (FERPA). The Burlington School District reserves the right to disapprove any filming or videotaping.

Opt Out Policy: Parents/guardians may elect not to have their child(ren) videotaped, filmed, photographed or included in BTC social media postings through the use of a parent/guardian(s) form that is distributed annually and also available in the school office.

Events such as awards assemblies, plays, concerts, athletic contests or similar events that have newsworthy aspects are open to the public and, therefore, the media are not intended to be part of this Policy. In the event of fire, accident or unusual circumstance, the principal will determine if the public and/or media may be permitted access to the school.

This Policy is not applicable to videotaping, filming and photography that will only be used by school officials with a legitimate educational interest or where the work meets other exceptions to FERPA's disclosure rules.

Videotaping, filming or photography of any student without the explicit knowledge and permission of the student is expressly prohibited, except where it is done as a direct consequence of security procedures implemented with the express knowledge and approval of the Superintendent. Anyone who violates this Policy may be subject to disciplinary procedures. For full Policy F 27, visit www.bsdtvt.org.

Weapon Possession

A student found by the School Board, after a Hearing, to have brought a weapon to school, including a school activity, can be expelled for up to one calendar year. A weapon includes, but is not limited to a firearm, an explosive device, or a potentially dangerous device such as a sharp edged item that can inflict bodily harm. For full Policy F 4R, visit www.bsdtvt.org

Legal and Emergency

Student Records and Information

See: Policy section Student records and Information

Asbestos Management Plan

The Asbestos Hazard Emergency Response Act (40 CFR 763.93 [g] [4]) requires that written notice be given that Burlington High School/Burlington Technical Center has a Management

Plan for the safe control and maintenance of asbestos containing materials found in its buildings. These Management Plans are available and accessible to the public from the BHS Main Office. Please contact the office if you wish to read this plan.

Bomb Threats & Conduct during Bomb Threats

Bomb threats, as defined below, are very disruptive to the educational activities of the Burlington schools, cause the Burlington school community members to be fearful for the personal safety of their children and themselves, threaten destruction of school property and can have a significant financial cost to the District. The Burlington School District commits to making up any and all days where school is cancelled as a result of a bomb scare. Accordingly, making a bomb threat is prohibited conduct. A student who makes a bomb threat will have engaged in exceedingly serious misconduct and serious discipline up to and including expulsion will be imposed. A student's making of a bomb threat will be a separate and distinct violation of District Policy with its own penalty, separate and apart from a violation of Vermont law which provides for as much as two years in jail and a \$5,000 fine for the first offense, and may result in a penalty of up to five years in jail and a \$10,000 fine for a subsequent offense. The School Board reserves the right to bring a lawsuit against anyone responsible for a bomb threat and to seek restitution and other damages permitted by law. "Bomb threat" means making, attempting to make, or participating in any communication, including, but not limited to, an oral or written

communication, which a reasonable person would interpret to mean that a device or object could or will explode, combust, ignite or otherwise cause significant disruption, personal injury, property damage or other harm, at any Burlington school building; on Burlington school property, including school transportation vehicles; or during any Burlington school activity.

Cooperation During Investigations and Evacuations

Students who misbehave during bomb threats can endanger other students and staff as well as themselves. All students must obey all staff directions and maintain an orderly, cooperative and quiet demeanor during any activity connected with a bomb threat, including subsequent investigations. A student's failure to do so will be considered serious misconduct and can result in serious disciplinary action, up to and including expulsion. The procedures provided for in the Student Conduct and Disciplinary Policy and Procedures, JG, will be followed where there are allegations of violation of either of the above rules.

Child Find Statement

In accordance with Federal Regulations, the Burlington School District aims to locate, identify, and evaluate children from birth to 21 years of age who may be eligible and in need of special education and related services. If you suspect that your child has a disability and is between the ages of birth–5 years of age, please call the Essential Education Program at 864-8463. If your child is between the ages of 5–21 years, please call Student Support Services at 864-8456.

Evacuation Drills

Evacuation drills will occur periodically in order to practice moving students off the BTC locations to safe locations in the event of an emergency. At intervals during the year, practice drills are held. Students must leave the building quietly and quickly. There will be no talking. When the buildings have been finally cleared and can be safely reoccupied, the students and staff will be instructed to re-enter. Under no circumstances should anyone attempt to fight a fire - let a faculty member know immediately. During the drill, everyone is to remain at least 100 feet from the building.

False Alarms

It is both dangerous and illegal to pull a fire alarm unless there is a fire. Protective boxes have been installed around fire alarms so that they cannot be accidentally set off. Any student who pulls a false alarm will be suspended, restitution will be required, and a recommendation for expulsion may be submitted to the School Board.

Lockdown Drills

Lockdown drills will occur periodically during the year in order for students to practice safe behavior during a potential crisis at BTC.

Emergency Telephone Numbers

Please keep the school informed of a current emergency telephone number we may call if there is no answer at home. A number at the parent or guardian's workplace or a neighbor's number will be most helpful, and will be used for individual emergencies only, such as illness or accident.

EEO

This material is available in alternate formats for persons with disabilities. To request an accommodation, please call 1-800-253-0191 (TTY) or 1-800-253-0195 (Voice).
