11/17 Committee Meeting Agenda

Introductions

Review of Purpose of Advisory Committee

- Essential to the future success of our students as well as the workforce.
- To prepare students today, as tomorrow's future business and community leaders.
- To understand the ever-changing knowledge and skills needed in the world of work.

Review of Advisory Committee Member Responsibilities

- **Advise:** Advisory Committee members advise educators and students as to the skills, knowledge, tools, technology and tasks needed in today's careers.
- **Advocate:** Advisory Committee members advocate to sustain local CTE programs in their schools.
- **Support:** Advisory Committee members can support teachers and students through the meetings, networking events, visits to local businesses, donations of equipment, tools or supplies which would benefit students as they learn the skills and knowledge needed for a particular career.
- **Members/Organization** must agree to serve a minimum of one year and must agree to meet for a minimum of two times a year
